CAREER OBJECTIVE

Motivated BCS AI student skilled in programming, AI, and Machine Learning. Passionate about creating intelligent systems and seeking internship or entry-level opportunities to apply knowledge and gain practical experience in innovative tech projects.

EDUCATION

- **Bachelor of Computer Science (Artificial Intelligence)** – Abdul Wali Khan University Mardan
2023 – 2027 (Expected Graduation) | CGPA: 3.78/4.00
- **Intermediate (FSc Computer Science)** – Glorious Group of Schools and Colleges, Swabi
2023 | Secured **1st Position in Mardan Board**
- **Matriculation (Science)** – Government Higher Secondary School, Topi Swabi
2021 | Completed with distinction

TECHNICAL SKILLS

- **Programming Languages:** Python, C++, JavaScript
- **Artificial Intelligence & Data Science:** Machine Learning (ML), Deep Learning (DL), Artificial Intelligence (AI), Neural Networks
- **Web Technologies:** HTML, CSS, JavaScript, React JS, Next JS.
- **Database:** SQL, MySQL, SQLite
- **Tools & Platforms:** Git, GitHub, VS Code, Jupyter Notebook, MS Office +
- **Core Competencies:** Problem Solving, Algorithm Design, Data Structures, OOP

ACADEMIC PROJECTS

AI-Based Student Attendance System

- Created an attendance system utilizing QR codes with Python.
- Integrated a database and enabled real-time verification.
- Technologies utilized: Python, SQL, OpenCV.

Intelligent Road Safety Monitoring System (AI Road Damage Detector)

- Created an AI-powered computer vision system for real-time detection of road damages (potholes, cracks, surface wear).
- Aimed to enhance driver safety, aid smart city monitoring, and help authorities prioritize road maintenance.
- Designed for real-world use with automated road surface analysis and structured damage reporting.
- Technologies utilized: Python, Deep Learning (CNN), OpenCV, TensorFlow / PyTorch, SQL

CERTIFICATIONS (Optional)

- **Google Developer Group (GDG) AI/ML Bootcamp** – Pakistan Institute of Engineering and Applied Sciences (PIEAS) – 2025
- Machine Learning Certification – Udemy
- Kaggle Machine Learning Course – Kaggle

SOFT SKILLS

Communication Skills | Teamwork | Leadership | Problem Solving | Time Management
